

PROFILE OF FACILITIES...

Brooke Farm, an impressive 16th century farmhouse in the village of Westerleigh near Bristol, is host to Sound & Vision Studios. These comfortable period surroundings houses our state of the art viewing facilities. All three floors of this period property are utilised to provide a broad range of analysis and meeting venue services.

Sound and visions studio facilities include ground floor lounge seating up to 12 people with camera and audio function. Also there is an office/holding room.

On the first floor there is the viewing facility and client room and another meeting room that can be linked via lcd tv for client viewing.

The second floor features a boardroom facility equipped with LCD/OHP Projection, AV filming. It has an adjoining smaller meeting room for in depth interviews or as a client linkup via LCD tv to boardroom.

Our 8 respondent viewing room is equipped with a camera for filming and a two way mirror wall, and it's 8 seater client room has 4 places for direct viewing plus LCD screen viewing. The adjoining bathroom enhances convenience for clients. The large fenced garden area is available for outside events and is covered by CCTV security. Car parking is available for up to sixteen cars.
